

[Colloque international "Inclusive innovative practices: challenges and opportunities" \[1\]](#)

3-5 Avril 2017 - Oviedo (Espagne)

The University of Oviedo, through its Education Sciences Department and the UNESCO Centre of the Principality of Asturias, is organising the 14th International Conference on Inclusive Education and the 34th Universities and Inclusive Education Workshop entitled 'Inclusive innovative practices: challenges and opportunities'. The Spanish Government's Ministry of Education, Culture and Sport, the Education and Culture Office of the Principality of Asturias and other institutions and bodies are collaborating.
