

[The Disability Leaders of Tomorrow project launches an e-learning hub and calls for your contribution to its Knowledge Center!](#)
[1]

The D-LoT e-learning hub is an informational and interactive environment for the project participants: 15 mentors and 15 mentees from 15 countries. In time it will be deployed as the EASPD's e-learning hub and will continue providing online training and training materials and resources for the disability provision sector beyond the project's lifetime.

The D-LoT hub is designed as a comprehensive online learning environment containing two main components, a Knowledge Centre and an E-learning platform.

Deadline for the first round of contributions : 31st May 20163
