The Education and Training (ET) 2020 Working Group (WG) on Promoting Common Values and Inclusive Education has compiled a series of examples of inspiring practice in inclusive education. This 'Compendium of Inspiring Practices on Inclusive and Citizenship Education' is now available to download.

The Compendium aims to provide policy-makers and other stakeholders with ideas to help them improve their education systems' inclusiveness. It presents 131 examples of good practice from a range of sources across Europe. Examples include projects supported by the European Union (EU), Erasmus+ and Unesco, universities and non-governmental and stakeholder organisations. Agency work, including the Inclusive Early Childhood Education and Inclusive Education in Action activities, is also represented.
