

[Inclusive Early Childhood Education Conference](#) [1]

1-2 November 2017 - Lisbonne (Portugal)

The European Agency for Special Needs and Inclusive Education is organising this event in co-operation with the Portuguese Ministry of Education and Science. The conference aims to highlight and present the project's main outcomes:

- The focus on inclusion outcomes (belongingness, engagement, learning)
- The Ecosystem Model of Inclusive Early Childhood Education
- The Self-Reflection Tool to improve the inclusiveness of the early childhood education environment.
