The [European Agency for Special Needs and Inclusive Education](#) [2]s '[Inclusive Education: Take Action!](#) [3]' video about the Luxembourg Hearing in 2015 was selected for screening at the United Nations Enable Film Festival in 2016. This festival selects short disability-related films selected on the basis of their content and message that can help raise awareness of disability issues and further promote the full and effective participation of persons with disabilities in society. The video contains key messages and recommendations from the young people who participated in the Hearing.
