

[International conference : Disabilities, equality, security and careers](#) [1]

10 novembre 2016 - Unesco, Paris (75)

Within the framework of the 20th edition of the European Disability Employment Week 2016, LADAPT and his partners organize the fourth international conference, with the involvement of the economic world, as well as key political and civil society partners. During this conference they will propose a restitution of the 2016 European and French work for the European semester "Developing an inclusive labour market in France and in Europe". In this way, they will also talk about the supported employment in France. After all, they will propose a training reference document : "Career security and supported employment", designed to the professional of the enterprise and from inclusive sector.
